I am looking for songs from the Danube countries 

Search from 19.02.2025 by MATTISD. 

Literature, art, culture, history and religion

Hello, I would like to learn more songs from the Danube region that I can play on the guitar.
It doesn't matter whether it's a folk song, classical music or even pop/rock. I'm happy about everything!
Please let me know if you have any ideas. Preferably with lyrics and chords (but notes are also fine :)

My favorite movie is from 1997 "As Good as It Gets" with Jack Nickolson and Helen Hunt. Aside from all actors having done a great job it is so inspiring and so contemporary even today. Showing how people can change each other for the better. Not without effort, but nevertheless, positive changes can be made for all to be in a better place and be better to each other :-)
